**CHAIRPERSON:** Date: 5/22/21  
Assembly  
Name: Ann J.**Event:** Spring 2021**Position:** Chairperson

**Election Preparations:** It is the last year of this panel when focus begins to shift to elections in the Fall. Everyone should take time to look over the Job Descriptions which are posted on our website; updates will be posted at the end of April. To all members, now is the time to begin to look through all of them yourself and think about what you would like to stand for in September.

At the Spring 2021 Assembly each of the Officers and Coordinators will be giving us insights as to what their position includes and the qualifications that are helpful to have to stand for each. That will further help each of us to decide what we would like to do for the Area for the next panel.
