

HAS SOMEONE'S DRINKING AFFECTED YOUR LIFE?

Al-Anon is:

- A fellowship of relatives and friends of alcoholics who believe their lives have been affected by someone else's drinking.
- A mutual support recovery program based on the 12 Steps of Alcoholics Anonymous.
- A non-professional fellowship where members share their experience, strength, and hope to solve their common problems.
- A program with the single purpose of helping families and friends of alcoholics whether the alcoholic is still drinking or not.

Al-Anon is not:

- * Allied with any sect, denomination, political entity, organization, or institution.
- * Involved in any outside issues-neither endorses nor opposes any cause.
- * Affiliated with AA, although both fellowships cooperate with one another.
- * Considered a religious organization, treatment center, provider, counseling agency, or teaching program.
- * Conducted by professionals.
- * Intended as a replacement for professional treatment or counseling.

Alateen is:

- * A fellowship of young Al-Anon members, usually teenagers, whose lives have been affected by someone else's drinking.
