Investing in Each Other to Preserve Our Legacy Invertir los unos en los otros para preservar nuestro legado S'investir mutuellement pour préserver notre héritage

The Conference Leadership Team (CLT) is responsible for preparing a World Service Conference (WSC) agenda that facilitates the active voice and effective group conscience of our fellowship.

The CLT is very grateful to everyone who participated in the 65th World Service Conference. We are so appreciative of all who worked to bring this Conference together.

Our Conference theme, “Investing in Each Other to Preserve Our Legacy” was embraced in all that we accomplished this year from April 24 to April 27 in Windsor, CT. As always, our Higher Power was present to guide us as we came together to participate in some interesting, challenging, flexible, and spiritual discussions.

Here are some of the highlights from our time in Windsor, CT:

Since the WSC approved the recommended Delegate Participation on CLT for Agenda Development work groups, the Conference Leadership Team is looking forward to the opportunity to hear the Delegates' voices and contributions to the 2026 WSC agenda topics. This is our primary purpose as we continue to "Preserve Our Legacy."
