

# FORUM WORKSHOP

**February 3, 2024**

11:00 am – 1:00 pm

St Lukes Church (Fellowship Hall)

4860 Arthur Road, Slinger WI 53086

Join us in this Workshop specifically meant to write contributions to our Monthly "Meeting in your Pocket" publication. We all have this opportunity to be creative, share our ESH, and have some fun within our fellowship. No materials are necessary. Paper, submission forms and writing utensils will be provided. You are welcome to bring your tablet or laptop. As always, spelling and grammar are not important. The Forum Staff will make sure that everything is in order prior to publication. Food provided by the District.
